

Platform - Bug #7637

Clusters are persisted earlier than intended

2017-11-23 11:18 am - Jussi Koskela

Status:	Closed	Start date:	2017-11-23
Priority:	4	Due date:	2017-11-23
Assignee:	Jussi Koskela	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	2017-27	Spent time:	0.00 hour
Release notes:	Intended unlimited database cluster lifetime was previously limited to ~2 seconds instead of being "unlimited".		
Description			
Unlimited lifetime was given as Integer.MAX_VALUE whereas Long.MAX_VALUE would be correct. Lifetime of Integer.MAX_VALUE forced the clusters to be persisted after ~2 seconds.
